### “We will come to him and make our dwelling with him”.....

Today’s Gospel speaks of God dwelling with the person who loves Him and keeps His Word. In the time of Moses, God dwelt with the Chosen People of Israel as the ark of the covenant was kept in the “meeting tent” overshadowed by the glory of God. This prefigured the Incarnation of Jesus where God dwelt in the womb of the Blessed Virgin Mary and then among us as a man. Ever since the Last Supper, God continues to dwell with us in the mystery of the Holy Eucharist—the very Body and Blood of Christ.

We look forward to next month on Corpus Christi (June 6) when the young people of our parish will make their first Holy Communion. God dwells in us in Holy Communion! Never let a single Sunday or holy day go by without welcoming the presence of so great a gift! Our very identity as Christians emerges from Christ’s presence within us through the sacraments of the Church.

To love God and to keep His Word... isn’t that exactly what the Virgin Mary did? In fact, she “pondered all these things in her heart.” The month of May is a time to renew our appreciation of Mary as a model of discipleship and spiritual mother for all of us. Love and fidelity are the attributes we look for in every mother. On this “Mother’s Day” we recall with gratitude the ways that our mothers have cared for and inspired us with these virtues. All of our Masses this weekend are being offered for the mothers whose names were submitted for this purpose over the past few weeks. Thanks to the care of the Blessed Mother and our own mothers, may we continue to grow in our own love and fidelity!

P.S. Speaking of God dwelling with us and the role of the Virgin Mary, a very generous benefactor has donated the magnificent replica of Michelangelo’s Pietà to the Cathedral. This unexpected gift turns what was a beautiful meditation for Lent and Easter into a permanent part of this great monument of faith.
